

# CEO *onboarding*

Elite Training for Jewish Leadership

Because Our Future Depends on Today's Leaders  
The first-ever national CEO Onboarding program designed for high-level organizational leaders in the American Jewish community.

Through the 12 month CEO Onboarding program, an exclusive cohort of new leaders will lay the groundwork for organizational success. Cohort members will work directly with expert consultants, elite leaders and thinkers in the American Jewish community, and institutions specializing in leadership development to take their competencies—and their organizations—to the next level.
